Zindabad

No apologies  
Not a shot in the dark  
This is a warning  
The sleeping tiger awakes each and every morning  
The time is now right to burst the imperial bubble  
My act of revenge is just a part of the struggle.

A bullet to his head won't bring back the dead  
But it'll lift the spirit of my people!

We'll keep on fighting  
We've been a nation abused  
Your stiff upper lip will bleed  
And your pride will be bruised.

No apologies  
Not a shot in the dark  
This is a warning  
The sleeping tiger awakes each and every morning.

We'll keep on fighting  
We've been a nation abused  
Your stiff upper lip will bleed  
And your pride will be bruised  
The time is now right to burst the imperial bubble  
And my act of revenge is just a part of the struggle.

Synchronise time  
Vengeance will be mine  
As I cross the curzon line into his mind  
I will burn the trophies he owns  
Symbols of a future postponed.

Zindabad!

A bullet to his head won't bring back the dead  
But it'll lift the spirit of my people!  
A bullet to his head won't bring back the dead

But it'll lift the spirit of my people!

I'll shake hands with the hangman

I'll wear the noose with pride

For unlike the british I've no crimes to justify

Pentonville will be my last place on earth

And death will return me to the land of my birth.
