Keep bangin' on the wall  
Keep bangin' on the wall  
Of Fortress Europe

2022, a new European order  
Robot guards patrolling the border  
Cybernetic dogs are getting closer and closer  
Armored cars and immigration officers

A burning village in Kosovo  
You bombed it out, now you're telling us go home  
Machine guns strut on the cliffs of Dover  
Heads down, people look out, we're going over

Burnin' up, can we survive re-entry  
Past the mines and the cybernetic sentries  
Safe European homes built on wars  
You don't like the effect, don't produce the cause

The chip is in your head, not on my shoulder  
Total control just around the corner  
Open up the floodgates, time's nearly up  
Keep banging on the wall of Fortress Europe

Keep banging  
Keep banging on the wall  
Of Fortress Europe

We got a right, know the situation  
We're the children of globalization  
No borders, only true connection  
Light the fuse of the insurrection

This generation has no nation  
Grass roots pressure the only solution  
We're sitting tight  
'Cause asylum is a right

Put an end to this confusion  
Dis is a 21st century Exodus  
Dis is a 21st century Exodus

Burnin' up can we survive re-entry  
Past the land mines and cybernetic sentries  
Plane, train, car, ferry boat or bus  
The future is bleeding coming back at us

The chip is in your head not on my shoulder  
Total control around the corner  
Open up the floodgates, time's nearly up  
Keep banging on the wall of Fortress Europe

Keep banging  
Keep banging on the wall  
Of Fortress Europe

Dis is a 21st century Exodus  
Dis is a 21st century Exodus

They got a right, listen not to de scaremonger  
Who doesn't run when they're feel the hunger  
From where to what to when to here to there  
People caught up in red tape nightmare

Break out of the detention centers  
Cut the wires and tear up the vouchers  
People get ready it's time to wake up  
Tear down the walls of Fortress Europe
