And we say back way to all the trouble makers  
Better fix up your brains because you are the biggest  
fakers  
Come in the place better know who you are  
Self defence is no offence  
The scales of justice are weighed down on one side  
Freemasons on the case you know you're gonna get a  
rough ride  
Hold tight even if you know your rights  
It's just a piece of paper unless you're prepared to fight

For ten years one hell of a long time  
To rot in a cell when you've committed no crime  
Another innocent man forced to carry the can  
Free Satpal Ram  
Free Satpal Ram  
Another innocent man  
Whose word against who ?  
Whose word against who ?  
The degenerate crew  
Out on the town thought they had something to prove  
Self defence - only offence - had to protect himself  
from all the murdering fools  
Cutting remarks on account of his race  
A plate to his chest and a glass to his face  
An Asian fights back can't afford to be meek

With your back against the wall you can't turn the other  
cheek

And its back way to all the trouble makers  
Better fix up your brain because you're the biggest  
fakers  
Come in the place better know who you are  
Free Satpal Ram  
Another innocent man

Birmingham six  
Bridgewater four  
Crown prosecution totting up the score  
Kings Cross two

Guildford four  
Winston Silcott - man how many more ?  
Satpal attacked in a restaurant by racists  
Now the brother's been locked up on a life time basis  
Convicted of murder but what's never mentioned  
Self defence was his only intention

ADF once again taking to the stand  
Witness the jailing of an innocent man  
Kicking up a fuss because it could happen to us  
Time to join in the fight back  
Because enough is enough  
And it's back way to all the trouble makers  
Better fix up your brains because you're the biggest  
fakers  
Come in the place better know who you are
