Everywhere I go-o-o

Everywhere I go they look at me like a criminal

But I'm a C-E-O-O-O

I'm a self employed C-E-O

[Verse 1 - Chamillionaire]

I need that Oprah Winfrey money you know I'm gon get

when we done send em to the cemetery

keep thinkin I'ma lose I ain't ever worried

I'll probably fall off on the 15th February

[Chorus x2]

Everywhere I go-o-o
Everywhere I go they look at me like a criminal
But I'm a C-E-O-O-O

[Verse 2 - Snoop Dogg]

I been a lot of places, seen a lot of faces

As I, pull off an ounce with my nephew chamillionaire
It's so easy to see. It's like Mcgrady, Kobe, Pay me you
owe me
Top dollar with the gold flea collar
dippin in my new impala
up and down the block
non-stop I'm a hard pill to swallow tough act to follow
its the dogg-father nigga holla

[Chorus x2]

Everywhere I go-o-o
Everywhere I go they look at me like a criminal
But I'm a C-E-O-O-O
I'm a C-E-O
I'm a self emplyed C-E-O

I'm not a criminal
