[Hook - 4x]

From the South

I got the diamonds in my mouth

[Z-Ro]

Hold up a minute, I'm the King of the Ghetto

Holding the rap game, like wood grain can't let go

You niggaz'll never see me, I'm on another level

Stay ready to dig a grave, keep a gun and a shovel

And pouring gas too, if there evidence

Saw me in the rear view, now you wonder where I went

I'ma get you if I owe ya, visit ya residence

Lay the merk game down, and then I'ma hit the fence

Better keep my mouth closed, so they can't see the  
shining

They think it was Z-Ro, cause all they seen was  
diamonds

I'm cold as a deep freeze, with bags of ice in it

My 3-57 pretty, but ain't nothing nice in it

Too many bitches, and not enough rubbers

Got so many, all my real niggaz under the gutter

Watch a nigga full of life, light close like shutters

God damn, staying healthy is hard as a mo'fucker

[Hook - 4x]

[Chamillionaire]

It ain't no lying or fiction, up in me please

I don't exaturnate the price, it was fifteen G's

When they ask, about the colored diamonds in the  
piece

Yeah I'm one of the richest, Southern niggaz in these  
streets

Yeah I'm candy flipper, you can have a picture

While I pose like a playa, by the candy with ya

Koopa never have no time, for no panty pinchers

My nigga, how come you ain't take me to Miami with ya

It's a couple haters out there, that won't let me be

I feel like yelling F' the radio, like SPC

The movie room in my crib, got a empty sweet

I'm with Sway, I'm getting interviewed by MTV

Yeah I'm ill at rapping, but I'm still not capping  
Ain't touched a damn drug, and he still ain't trapping  
I don't change don't sleep, cause Chamil' ain't napping  
Stop acting like platinum, with Chamil' can't happen  
I'm a Northside rider, ain't got to worry  
Cause the major deal, is not about to turn me  
Yeah the controversy, ain't about to hurt me  
I don't play no games, like I forgot my jersey  
Still ride around the city, with none of my niggaz with  
me  
Still ride for H-Town, if don't none of these niggaz feel  
me  
Ain't gotta like me, or have none of these niggaz hit me  
I'ma be the MVP, if don't none of these niggaz pick me  
A lot of rumors in the streets, ain't none of it really  
pretty  
Getting money, makes all of the drama seem itty-bitty  
Pick a click, I don't hang with none of these niggaz  
really  
But I'm glad that the majors, is running up in the city  
cause I'm

[Hook - 4x]

[Lil' Flip]

Ever since 1999, I had diamonds in my grill  
You just rapping that ain't platinum, homie you need to  
chill  
Cause you embarrassing Texas, nigga you ain't trill  
Nigga you been on my dick, way befo' you got your  
deal  
These rappers finally get some fame, and think they  
got it locked  
After your album flop, nigga you gon be on Koch  
My gear clean, from my ear rings to my pinky ring  
If you ain't spend thirty, boy tuck in your piece and  
chain (Southside)

[Hook - 4x]

[Z-Ro]

Blucker-blucker-blucker, that's how my gun go  
If I'm looking agitated, bitch you better run hoe  
I use to do the baguettes, but now I'm VS-1's though  
Princess cuts straight up and down, Johnny done those  
I got loud ice, just like Paul Wall  
Shining down South, brighter than all y'all  
When it's time to get your jewelry done, who do y'all  
call  
Cause you fellas ain't shining at all, check me out  
On the first and fifteenth, I'm some'ing like a pimp

Even with a suspended license, still finna flip  
Ain't no limit to this cash, ain't nothing I can't get  
Five deuce Hoover cause, ain't nothing like a Crip  
Ride with a Revolve', I don't fuck with clips  
These roach ass niggaz, trying to make me bust my  
chips  
But I'm not a bank, I don't even trust my bitch  
I'm from the South, and I got diamonds in my mouth

[Hook - 3x]
