I sat and stared at the sky.  
I knew I'd find myself there again.  
I wonder how else to cope with the air.  
The air that brings me this luck.  
I'm unlucky, that's just me  
Seems what used to be has changed.

And I feel it coming again  
I feel it coming with the wind  
I feel it coming again  
I feel it breaking with the wind

And I know, I won't feel it again if I just played along.  
"Stupid games are for stupid people" and they end just  
like a song.  
A song with no beginning, a song that has no meaning.  
Just like this one, just like this one...
