I know it's hard for you
To understand what I'm going through
But now, I sit here to remind myself

You're always dressed to kill
And you feel like you owe it to the world
But you owe it to yourself

And you're, you're not here
And I can't stop pretending
That you're forever mine
And I

I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep

Cheer up, my friends all say
You're better alone anyways
But you're always on tour
And you're never home
I'm always dressed to kill

And I feel like I owe it to the world
But I owe it to myself
And you're, you're not here

And I can't stop pretending
That you're forever mine
And I

I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep

Cheer up, my friends all say
And I can't stop pretending
Is that you're forever mine
You're better alone anyways

And you're not here, not here

I can't dream anymore since you left
I miss you singing me to sleep
I can't wake anymore in your arms
I miss you singing me to sleep

Cheer up, my friends all say
