well i never wanted  
it to be this way with you.  
so broken-hearted.  
look at all the things  
we've been through.  
sometimes i,  
sometimes i can catch up with your words.  
you're hard to follow,  
so hard to follow.

tragic,  
to realize that you talk too much.  
so tragic,  
to realize that you're far too gone  
to say you're wrong.  
sometimes i,  
sometimes i can catch up with your words.  
you're hard to follow,  
so hard to follow.

tie the rope around me once more.  
and i might bend, but i won't break.  
but i won't break.  
tie the rope around me once more.  
and i might bend, but i won't break.  
but i won't break.

take this timeout  
to find yourself.  
take this timeout to learn.  
take this timeout  
to find yourself.  
take this timeout to learn.  
learn.
