I never felt so bad  
In my entire life  
But this time I did it to myself  
What do you expect from me?  
I did it  
So what do you expect from me

Let go of my hand  
Is it time to go?  
I'm not ready to turn my back on you yet  
I'm not going to let you down

Let you down

September came so quickly  
I wasn't prepared  
I didn't mean to miss your birthday  
What do you expect from me?  
I did it  
So what do you expect from me

Why don't you

Let go of my hand  
Is it time to go?  
I'm not ready to turn my back on you yet  
I'm not going to let you down

Bridges will fall from under us  
But weak or strong  
We'll (we'll) get through this  
The end will open up (end will open up)  
And try to pull us in  
But we'll (we'll) get through this  
Get through this

So why don't you

Let go of my hand  
Is it time to go?  
I'm not ready to turn my back on you yet

Iâ€™m not going to let you down

Let you down
