

A New Found Glory "Connected"

For a while now I've been
The quickest one to shed my skin
Forcing me to put up walls
Climbing taller every cause

Hurry down to me

Soon I'll be back from all this work
And I'll make love to you
Make love to you
We'll reconnect it
Soon I'll be back in your arms
Be back in your arms
Connected

The circle in your eyes tell more
More than you have bargained for
It takes trying to rip your skin
To really know how thick it is
Hurry down to me
Hurry down to me
