yeah,
i'm on the verge of something good
it's been up my sleeve this whole time waiting

yeah,
another condescending time
i'll just avoid ??? completely over

now i

i can't relate to your constant static
for lack of remorse???
no, i can't relate, i never take???
the worst thing was when i let you in
let you in

you, you might not take a second look
it's just a game we play
and we all have some???

you ???
but at least i can say
i wake up ???

everyday
everyday

i can't relate to your constant static
for lack of remorse???
no, i can't relate, i never take???
the worst thing was when i let you in
i let you in
oh, oh

i let you in

this is your bad translation???
dictionaries, i keep in my head
i?? cycles???
sketches that i keep???

i can't relate to your constant static
your lack of remorse???
no, i can't relate, i never take???
the worst thing was when i let you in

no, i can't relate to your constant static
i was searching??? for something good
but then i let you in
let you in
i let you in
