[From the movie "The Breakfast Club"]
[Originally by Simple Minds]

Hey, hey, hey ,hey...
Ohhh...

Won't you come see about me?
I'll be alone, dancing you know it baby

Tell me your troubles and doubts
Giving me everything inside and out and
Love's strange so real in the dark
Think of the tender things that we were working on

Slow change may pull us apart
When the light gets into your heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

Will you stand above me? (above me)
Look my way, never love me (love me)
Rain keeps falling, rain keeps falling
Down, down, down

Will you recognize me? (recognize me)
Call my name or walk on by (walk on by)
Rain keeps falling, rain keeps falling
Down, down, down, down

Hey, hey, hey, hey
Ohhhh.....

Don't you try to pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security

Don't you forget about me
I'll be alone, dancing you know it baby

Going to take you apart
I'll put us back together at heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

As you walk on by
Will you call my name?
I Will walk away

Or will you walk away? (Will you walk away)
Will you walk on by? (Will you walk on by)
Come on call my name (Call my name)
Will you call my name?

1..2.. , 1..2..3..go!!
La la la la la...
La la la la
La la la la la la la la la la

Ohhh...
Will You walk away
