I know it's hard for you

To understand what i'm going though

But now I sit here to remind myself

Your always dressed to kill

And you feel like you owe it to the world

But you owe it to yourself

(Bridge)And your

Your not here

And I can't stop pretending that your forever mine

And I

(Chorus)And I can't dream anymore

Since you've left

I miss you singing me to sleep (to sleep)

And I can't wake anymore

In your arms

I miss you singing me to sleep (to sleep)

Cheer up my freinds all say

Your better alone anyway

But your always on tour

And your never home

I'm always dressed to kill

And i feel like i owe it to the world

But I owe it to myself

(Bridge)

(Chorus)

Cheer up my freinds all say

And I can't stop pretending

That your forever mine

Your better off anyway

And your not here

(Chorus)

I can't dream anymore

Since you left

I miss you singing me to sleep (to sleep)

I can't wake anymore in your arms

I miss you singing me to sleep (to sleep)

Cheer up my friends all say
