Tonight it's very clear  
As we're both lying here  
There's so many things I want to say  
I will always love you  
I would never leave you alone

Sometimes I just forget  
Say things I might regret  
It breaks my heart to see you crying  
I don't wanna lose you  
I could never make it alone

Cause I am a man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever  
Knowing together that we  
Did it all for the glory of love

You'll keep me standing tall  
You'll help me through it all  
I'm always strong when you're beside me  
I have always needed you  
I could never make it alone

Cause I am a man who will fight for your honor  
I'll be the hero that you've been dreaming of  
Gonna live forever  
Knowing together that we  
Did it all for the glory of love

Just like a knight in shining armor  
From a long time ago  
Just in time I'll save the day  
Take you to my castle far away

I am the man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever  
Knowing together that we  
Did it all for the glory of love

(3x)

I am a man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever  
Knowing together that we  
Did it all for the glory of love
