(Silence)
(Humming)
AAAAAAH!!!

Someone's in your house
Someone's in your house
Someone's in your house
Someone's in your house
Someone's in your house

You have to understand that this is not just a CD
It is taking over your brain
Do you think
DO YOU THINK
You're safe from it now? Huh?
Someone's in your house

(hear hear)
Button the button the button button the button the
button
Button the button the button button the button the
button
The button the button button the button the button

I'm sick of smiling

Hey, this one was supposed to be on the hidden track
on the last record, but Jordan was mad and he left the
studio before we could do it -

Shut up, dude, dont tell them that!
(laughing)

MAKE WAY FOR THE QUEEN!

How'm I gonna get my car out?

Everyone has toothpick on your table
We like the shish kabob 'cuz the beef has good flavor
Everyone has toothpick on their table

You like that? I forgot the words, hold on -

Everyone has toothpick on their table
We like the shish kabob 'cuz the beef has good flavor
Everyone has toothpick on their table
We like the dental floss and I've - AAH!
