Look into my eyes - you will see
What you mean to me.
Search your heart - search your soul
And when you find me there
You'll search no more

Don't tell me it's not worth trying for
You can't tell me it's not worth dying for you
You know it's true
Everything I do
I do it for you

Look into my heart you will find
There's nothing there to hide
Take me as I am take my life
I would give it all I would sacrifice

Don't tell me it's not worth fighting for
I can't help it there's nothing I want more
You know it's true
Everything I do -
I do it for you

There's no love like your love
And no other could give more love
There's nowhere - unless you're there
All the time - all the way...

Don't tell me it's not worth trying for
I can't help it there's nothing I want more

I would fight for you
I'd lie for you
Walk the fire for you
Yeah I'd die for you

You know it's true
Everything I do
I do it for you
