A New Found Glory
"I Love Rock N' Roll"

[Originally by The Arrows]

I saw her dancin' there by the record machine
I knew she must a been about seventeen
The beat was goin' strong
Playin' my favorite song
An' I could tell it wouldn't be long
Till she was with me, yeah me, singin'
Till she was with me, yeah me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

She smiled so I got up and' asked for her name
That don't matter, she said,
'Cause it's all the same

Said can I take you home,where we can be alone

An' next we were movin' on
Cause she was with me, yeah me

Next we were movin' on
Cause she was with me, yeah me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

I saw her dancin' there by the record machine
I knew she must a been about seventeen
The beat was goin' strong
Playin' my favorite song

An' I could tell it wouldn't be long
Till she was wiht me, yeah me
And we'll me moving on, and singing that same old
