You don't have to settle for me at all
I'll never be the one you want
I'll never ever be the one under your arms
and I don't have the face to turn heads
or the body that cuts loose ends (?)
I swear I need to get a hold again

I can't get to you
(I swear I've tried)
If I can't get to you
(I'll never love again)

I'm not comfortable in my own skin
I'm ashamed of being myself
I wear my shame I wear it all too well
And I don't have the words to work this out
Your reactions fill with doubt
I am shallow this is what I've found

I can't get to you
(I swear I've tried)
If I can't get to you
(I'll never love again)

I can't get to you
(I swear I've tried)
If I can't get to you
(I'll never love again)

And you leave me with no choice
But to blow this out of the water
Now you leave me with no choice

If I can't get to you
(I swear I've tried)
If I can't get to you
(I'll never love again)
If I can't get to you
(I swear I've tried)
If I can't get to you
(I'll never love again)
