Turn around  
Look at what you see  
In her face  
The mirror of your dream

Make believe I'm everywhere  
I'm hidden in the lines  
And written on the pages  
Is the answer to a never ending story

Reach the stars  
Fly a fantasy  
Dream a dream  
And what you see will be

Rhymes that keep their secrets  
Will unfold behind the clouds  
And there upon the rainbow  
Is the answer to a never ending story, story

Show no fear  
For she may fade away  
In your hands  
The birth of a new day

Rhymes that keep their secrets  
Will unfold behind the clouds  
And there upon the rainbow  
Is the answer to a never ending story

Never ending story  
Never ending story  
Never ending story  
Never ending story
