Turn around
Look at what you see, yeah
In her face
The mirror of your dreams, whoa

Make believe I'm everywhere
Hidden in the lines
Written on the pages
Is the answer to a never ending story
Never ending story

Reach the stars
And fly a fantasy, yeah
Dream a dream
And what you see will be
Yeah, yeah, yeah

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a never ending story
Never ending story

Story, never ending story
Go

Show no fear
For she may fade away, yeah
In your hands
The birth of the new day
Yeah, yeah, yeah

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a

Never ending story
(Whoa, whoa, whoa)
Never ending story
(Whoa, whoa, whoa)

Never ending story
(Whoa, whoa, whoa)
Never ending story
(Whoa, whoa, whoa)
