Turn around, look at what you see, yeah
In her face, the mirror of your dreams, whoa

Make believe I'm everywhere hidden in the lines
Written on the pages
Is the answer to a never ending story
Never ending story

Reach the stars and fly a fantasy, yeah
Dream a dream and what you see will be
Rhymes that keep their secrets
Will unfold behind the clouds

And there upon a rainbow
Is the answer to a never ending story
Never ending story
Story, never ending story

Show no fear for she may fade away, yeah
In your hands, the birth of the new day, yeah yeah yeah

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon a rainbow
Is the answer to a never ending story
Never ending story, never ending story
Never ending story
