Distance means nothing to me
It only makes me want to see you longer
My words just like a mentioned kiss
With every letter they go growing stronger

Days go by
Feelings, they go on
Unfortunately without you
It will never snow in Florida

It's best to take your time
Conversation cuts like glass
I'm the calm before the storm
Ooh, I'm the second before the crash

(Ooh)
I've been between myself for days
(Ooh)
Been between myself for days
I'm the hero of the year

Distance means nothing to me
It only makes me want to see you longer
Yeah, yeah
Yeah, yeah

When the days go by
Feelings, they go on
Unfortunately without you
It will never snow in Florida

It's best to take your time
Conversation cuts like glass
I'm the calm before the storm
Ooh, I'm the second before the crash

(Ooh)
I've been between myself for days
(Ooh)
I've been between myself for days
I'm the hero of the year
Ooh, I've been between myself for days

I've been between myself for days
Ooh, I'm the hero of the year
