Well I never wanted  
That to be this way with you  
So broken hearted  
Look at all the things we've been through

Sometimes I, sometimes I  
Can't catch up with your words  
You're hard to follow  
So hard to follow

Tragic to realize that you talk to much  
So tragic to realize that you're far too gone  
To say you're wrong

Sometimes I, sometimes I  
Can't catch up with your words  
You're hard to follow  
So hard to follow

Tie the rope around me once more  
And I might bend  
But I won't break, if I won't break  
Tie the rope around me once more  
And I might bend  
But I won't break, if I won't break  
Take this timeout to find yourself  
Well take this timeout to learn  
Take this timeout to find yourself  
Take this timeout to learn  
Learn
