Search around, look at what you see,  
In her face, the mirror of your dreams,  
Make believe I'm everywhere, hidden in the lines  
Written on the pages is the answer to our neverending  
story  
Neverending story

Reach the stars, and fly a fantasy,  
Dream a dream, and what you see will be,  
Lives that keep their secrets will unfold behind the  
clouds  
And there upon the rainbow is the answer to our  
neverending story

Neverending story

Show no fear, for she may fade away,  
In your hand, the birth of a new day,  
Lives that keep their secrets will unfold behind the  
clouds  
And there upon the rainbow is the answer to our  
neverending story
