Imagine me and you, I do  
I think about you day and night  
It's only right  
To think about the girl you love  
And hold her tight, so happy together

If I should call you up, invest a dime  
And you say you belong to me  
And ease my mind  
Imagine how the world would be  
So very fine, so happy together

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby, the skies will be blue  
For all my life

Me and you and you and me  
No matter how they toss the dice  
It had to be  
The only one for me is you  
And you for me, so happy together

If I should call you up, invest a dime  
And you say you belong to me  
And ease my mind  
Imagine how the world would be  
So very fine, so happy together

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby, the skies will be blue  
For all my life

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby, the skies will be blue  
For all my life, for all my life

Call you up  
Ease my mind  
Ease my mind  
Ease my mind

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby, the skies will be blue  
For all my life

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby, the skies will be blue  
For all my life

So happy together  
So happy together  
So happy together  
So happy together
