Somewhere over the rainbow way up high
There's a land that i head of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star and wake up where the
clouds are far behind me
Where troubles melt like lemon drops away above the
chimney tops
That's where you'll find me

Somewhere over the rainbow blue birds fly
Birds fly over the rainiboe why then oh why can't I?
~*~music~*~
If happy little blue birds fly across the rainbow
why then oh why can't I
