You, doin' that thing you do
Breaking my heart into a million pieces, like you always
do
And you, don't mean to be cruel
You never even knew about the heartache I've been
goin' through

Well, I try and try to forget you girl
But it's just so hard to do
Every time you do that thing you do

And I, know all the games you play
And I'm gonna find a way to let you know that
You'll be mine someday
'Cause we, could be happy, can't you see
If you'd only let me be the one to hold you
And keep you here with me

'Cause I try and try to forget you girl
But it's just so hard to do
Every time you do that thing you do

'Cause I don't ask a lot girl but I know one thing's for
sure
It's the love I haven't got girl
And I just can't take it anymore
(Whoa!)

'Cause we, could be happy, can't you see
If you'd only let me be the one to hold you
And keep you here with me

'Cause it hurts me so just to see you go
Around with someone new
And if I know you you're doin' that thing
Every day just doin' that thing
I can't take you doin' that thing you do
