

A New Found Glory "The Blue Stare"

Your eyes
The blue stare
Surrounds me
They only make you
Stronger

Still

Feeling this way
Won't get you
Anywhere
Feeling this way
Won't Get You
Anywhere

Your hands,
They offer me to hold them
Lips kiss
They trick me into showing them
But sure I want to

Still

Feeling this way
Won't Get You
Anywhere
Feeling this way
Won't Get You
Anywhere

I'm loud
As far as I can tell
Fast times
Fast rides
Fast cars
Could take me down
To the direction (the direction)
The reflection
That you bring
I've been scared too long
To show you how I feel

Your eyes
The blue stare
Surrounds me

Still

Feeling this way
Won't get you
Anywhere
Feeling this way
Won't get you
Anywhere

I'm loud
As far as I can tell
Fast times
Fast rides
Fast cars
Could take me down
To the direction (the direction)
The reflection
That you bring
I've been scared too long
To show you how I feel
