Tonight its very clear
As we're both lying here
There's so many things I wanna say
I will always love you
I will never leave you alone
Sometimes I just forget,
Say things I might regret
It breaks my heart to see you crying
I don't want to lose you
I could never make it alone

[Chorus:]

Cause I am the man who will fight for your honor
I'll be the hero
That you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love

You keep me standing tall
You help me through it all
I'm always strong when you're beside me
I have always needed you
I could never make it alone...

Cause I am the man who will fight for your honor
I'll be the hero
That you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love

It's like a knight in shining armor from a long time ago
Just in time I'll save the day
Take you to my castle far away...

I am the man who will fight for your honor
I'll be the hero
That you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love

I am the man who will fight for your honor

I'll be the hero
That you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love

I am the man who will fight for your honor
I'll be the hero
That you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love
