Here we are hanging onto strains of greed and blues  
Break the chain then we break down  
Oh it's not real if you don't feel it  
Unspoken expectations  
Ideals you used to play with  
They've finally taken shape for us

What's good enough for you is good enough for me  
It's good enough  
It's good enough for me  
yeah yeah yeah yeah

What's good enough for you is good enough for me  
It's good enough  
It's good enough for me  
Yeah yeah yeah yeah yeah yeah

Now you'll say you're startin' to feel the push and pull  
Of what could be and never can  
You mirror me stumblin' through those  
Old fashioned superstition  
I find too hard to break oh maybe you're out of place

But it's good enough for you is good enough for me  
It's good enough  
It's good enough for me  
Yeah yeah yeah yeah

But it's good enough for you is good enough for me  
It's good enough  
It's good enough for me  
Yeah yeah yeah yeah yeah yeah

Old fashioned superstition  
I find too hard to break  
Oh maybe you're out of place

What is good enough for you is good enough for me  
It's good enough  
It's good enough for me  
Yeah yeah yeah yeah

What's good enough for you is good enough for me  
It's good enough  
It's good enough for me  
Yeah yeah yeah yeah yeah yeah
