Some around  
looking what you see  
in her face  
the mirror of your dream

Make believe our memory  
when you're getting in a line  
listen on the pages  
is the answer to a neverending story

(ahh)

Reach the skys  
fly a fantasie  
dream a dream  
and what you see  
will be

Chorus:  
Rimes that keep the secrets  
will unfall behind the clouds  
and there upon the rainbow  
is the answer to a neverending story  
(ahh)

story (ahh)

Shown your fear  
what she may paid away  
in your hands  
the bother in your day

Chorus

neverending story (ahh)  
neverending story (ahh)  
neverending story (ahh)
