Honey, baby, babes, hon, heart... I will
A promise...

I'm sorry, but I'm just thinking of the right words to say.
I know they don't sound the way I planned them to be.
But if you wait around a while, I'll make you fall for me,
I promise, I promise you I will...

If you need a friend,
Don't look to a stranger,
You know in the end,
I'll always be there.

And when you're in doubt,
And when you're in danger,
Take a look all around,
And I'll be there.

I'm sorry, but I'm just thinking of the right words to say.
(I promise you)
I know they don't sound the way I planned them to be. (I
promise you)
But if you wait around a while, I'll make you fall for me,
(I promise you)
I promise, I promise you I will.

When your day is through,
And so is your temper,
You know what to do,
I'm gonna always be there.

Sometimes if I shout,
It's not what's intended.
These words just come out,
With no gripe to bear.

I'm sorry, but I'm just thinking of the right words to say.
(I promise you)
I know they don't sound the way I planned them to be. (I
promise you)
But if you wait around a while, I'll make you fall for me,
(I promise you)

I promise, I promise you...

I'm sorry, but I'm just thinking of the right words to say.

(I promise you)

I know they don't sound the way I planned them to be. (I promise you)

And if I had to walk the world, that make you fall for me, (I promise you)

I promise you, I promise you I will.

I gotta tell ya, I need to tell ya, I gotta tell ya, I gotta tell yaaaaa...
