Lying in my bed I hear the clock tick and I think of you  
Caught up in circles confusion is nothing new  
Flashback, warm nights, almost left behind  
A smooth case of memories, time after

You picture me, I'm walking too far ahead  
You're calling to me, I can't hear what you've said  
You say, "Go slow" and I fall behind  
The second hand unwinds

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting time after time

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting time after time

After my picture fades and darkness has turned to  
gray  
Watching through windows, you're wondering if I'm  
okay  
The secret is stolen from deep inside  
The drum beats out of time

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you  
I'll be waiting time after time

If you're lost you can look  
And you will find me time after time  
If you fall I will catch you, I'll be waiting
