My heart is pumping  
For one reason  
Maybe it's my imagination  
But it's true  
It's all in your hands  
I no longer  
Have this on my shoulders

Oh no  
It must be something I said  
Love is another word for regret  
You know  
It must be part of my plan  
It's never too late to understand

And I  
Wanted it to be  
Something more than  
Just another run around for me

And I  
Even though I'm glad  
That I'm finally free  
All that's for my life is now up to me

Oh no  
It must be something I said  
Love is another word for regret  
You know  
It must be part of my plan  
It's never too late to understand

And I  
Walk around for days  
And I  
Only see you in my dreams

My heart is pumpin'  
For one reason  
Maybe it's my imagination  
But it's true  
It's all in your hands

I no longer  
Have this on my shoulders

Oh no  
It must be something I said  
Love is another word for regret  
You know  
It must be part of my plan  
It's never too late to understand

And I  
Walk around for days  
And I  
Only see you in my dreams  
Dreams  
Dreams

Waited for me  
Like I've waited for you  
Waited for me  
(Waited for me)  
Like I've waited for you
