Ain't no personal thing boy
but you have got to stay away
far, far away from my heart, my heart
don't you know what your kiss is doing
let me tell it to from the start, boy

I don't wanna fall in love, no no
Love cuts just like a knife, woo woo
You make the knife feel good baby
I'll fight you to the end

You've been hanging around boy
And you have started sinking in
Whoa baby you're way out of line now
unaware how this all got started
let me tell it to you one more time boy

I don't wanna fall in love no no
love cuts just like a knife woo woo
you make the knife feel good baby
I'll fight you to the end
repeat

I learned something about myself
last night with you I knew
I didn't want nobody else
And your scaring me to death now baby

Guitar and Synthe Solo

I don't wanna fall in love no no
love cuts just like a knife woo woo
you make the knife feel good baby
I'll fight you to the end

Synthe Solo

I don't wanna fall in love no no
Love cuts just like a knife woo woo
you make the knife feel good baby
I'll fight you to the end

repeat 2 times
