I believe in miracles

Where are you from you sexy thing (sexy thing you)

I believe in miracles

Since you came along you sexy thing

Where did you come from baby

How did you know I needed you

How did you know I needed you so badly

How did you know I'd give my heart gladly

Yesterday I was one of a lonely people

Now you're lying close to me making love to me

I believe in miracles

Where are you from you sexy thing (sexy thing you)

I believe in miracles

Since you came along you sexy thing

Where did you come from angel

How did you know I'll be the one

Did you know you're everything I prayed for

Did you know every night and day for

Everyday your love has satisfaction

Now you're lying next to me giving it to me

I believe in miracles

Where are you from you sexy thing (sexy thing you)

I believe in miracles

Since you came along you sexy thing

Kiss me (you sexy thing)

Touch me baby (you sexy thing)

I love the way you touch me darlin' (you sexy thing)

You're sexy (you sexy thing)

Yesterday I was one of a lonely people

Now you're lying close to me making love to me

I believe in miracles

Where are you from you sexy thing (sexy thing you)

Since you came along you sexy thing

Touch me

Kiss me darlin'
