She said she like my K-I-S-S-I-N-G,
My swag, my walk, my I-C-E.
You wonder why she missing me,
Cause I'm that man she wish you be.
But you couldn't get it so forget it I'm a take her now.
You promised her trips, you never took her, so I'm a
take her now.
I should take a bow; my performance in the bed might
take a while,
My personal is versatile, might start off slow then
change my style.
Picture this, me pulling up in that whip whip, she hop in
and we dip dip to go kiss kiss.
Where u from Chris?

I'm a country boy from Tappahannock
VA is where I reside so shawty understand it
And I know I just turn 18
And I get a little mannish
And you see this bandanna hanging
That means I'm like a bandit (like a bandit, bandit)

I got paper girl
The Lamborghini
With the spider seats
You never seen it
So get it shawty
We parking lot pimping in my dome
And I know what you want

She want that lovey dovey
That kiss-kiss, kiss-kiss
In her mind she fantasize
Bout getting with me
They hating on me
They wanna diss this, kiss-kiss
Cause she mine and so fine
And thick as can be [x2]

I'm the epitome of this demonstration
I got the remedy you feeling me

So why is you hating?
And my anatomy is bird like
Yeah you heard right
Girl I'm the king so that means I'm fly

If you with it girl
Get it poppin
Roll with me
Ain't no stopping
So get it shawty
We parking lot pimping in my dome
I know what you want

She want that lovey dovey
That kiss-kiss, kiss-kiss
In her mind she fantasize
Bout getting with me
They hating on me
They wanna diss this, kiss-kiss
Cause she mine and so fine
And thick as can be [x2]

Yeah girl they call me Mr. hot hot hot hot,
And everyone seeing you leaving my drop drop drop
drop from here.
Girl looking at my rolli it's about that time,
Grab that bottle of wine let's ditch this spot spot spot
spot.
I got hella paper, I got more than half.
Now I'm not filthy rich, but I can use a bath.
I gotta wait for the autobots; I got paper like Optimus
Prime,
And it just might transform at any time.

She want that lovey dovey
That kiss-kiss, kiss-kiss
In her mind she fantasize
Bout getting with me
They hating on me
They wanna diss this, kiss-kiss
Cause she mine and so fine
And thick as can be [x2]
