Weak
I have been cryin?
And cryin? for weeks
I ask about
When I can barely speak
Barely eat
On my knees

But that?s the moment
You came to me
I don?t know
What your love
Has done to me
I think
I?m invisible you see
Through to me
I used to be

[Chorus:]
You changed
My whole life
Don?t know
What your doin? to me
With your love
I?m feelin?
All superhuman
You did this to me
Superhuman
Heart beats in me
Nothing can stop me
Here with you
Superhuman
Superhuman
Superhuman

Strong
Since I?ve been flyin
And ridin? the wrongs
Feels like
I almost had it all along
I can see tomorrow

But every problem
Is gone because
I threw everywhere
But love inside of me
It's unbelievable to see
How love could set me free

[Chorus:]
You changed
My whole life
Don't know
What your doin' to me
With your love
I'm feelin'
All superhuman
You did this to me
Superhuman
Heart beats in me
Nothing can stop me
Here with you
Superhuman
Superhuman

[Chris:]
It's not a bird
Not a plane

[Both:]
It's my heart
And it's going gon go away

[Both:]
My only weakness is you
Only reason is you
Every minute with you
I feel like I can do
Anything

[Both:]
Goin goin'
I'm goin' away
In love

[Chorus:]
You changed
My whole life
Don't know
What your doin' to me
With your love
I'm feelin'

All superhuman
You did this to me
Superhuman
Heart beats in me
Nothing can stop me
Here with you
Superhuman
