(2x)They tried to break me down
They tried to humble me
I've fallen into pieces
I've fallen on the ground

(2x)But i found the strength
I believed in myself
And i could overcome it

And now (4x)i'm shining like a diamond, i'm hard like a
diamond

They always laughed at me
They thought that i am loser
I never lost my hope
I knew that God is with me

(2x)And i found the strength
I believed in my God
And i could overcome it

(8x) I'm shining like a diamond, i'm hard like a
diamond

(2x)I'm stronger,
I'm braver,
And i dont afraid now
What they say ,
What they think,
What they do,
Who they are

(8x)I'm shining like a diamond. i'm hard like a diamond
