Its funny when things go wrong,  
I get tired of waking  
For all the things I've loved before  
I'm tired of breaking  
Good things are far ahead, yeah  
but my patience is shaking  
Only 13 minutes left,  
but is it worth waiting..

Would you care for me  
cause I'm tired  
Tired of all this life  
Would you care for me  
cause I feel like..  
I've been cut inside

It's blatant to feel so  
wrong  
to get hurt by the taking  
everything that I've said before  
I hesitate saying  
I'm crawling fast ahead, yeah  
the pace that I'm making  
Only 13 minutes left  
but it's not worth waiting..

Would you care for me  
cause I'm tired  
Tired of all this life  
Would you care for me  
cause I feel like..  
I've been cut inside
