Threw you the obvious and you flew with it on your back
A name in your recollection
Down among a million same

Difficult not to feel a little bit disappointed and passed
over
When I've looked right through to see you naked but
oblivious
And you don't see me

But I threw you the obvious just to see if there's more
behind the eyes of a
Fallen angel
Eyes of a tragedy

Here I am expecting just a little bit a little too much
from the wounded
But I see
See through it all
See through
See you

Cause I threw you the obvious
To see what occurs behind
The eyes of a fallen angel
Eyes of a tragedy

Oh well
Oh well
Apparently I'm nothing
Apparently nothing at all

You don't
You don't
You don't
See me
You don't
You don't
You don't see me
You don't
You don't see me
You don't see me at all
