Do you remember a guy that's been in such an early
song
I heard a rumor from ground control
Oh, no don't say it's true
They got a message from the action man
"I'm happy hope you're happy too"
I've loved all, I've needed love, sordid details following

The shrieking of nothing is killing us
Visions of Jap girls in synthesis
And I ain't got no money and I ain't got no hair
And I'm hoping to kick but this planet is glowing

Ashes to ashes, funk to funky
We know major Tom's a junky
Strung out on heavens
High leading an all time low

Time and again I tell myself I'll stay clean
Tonight but these little green
Wheels are following me, oh, no not again
I'm stuck with a valuable friend
I'm happy hope you're happy too
One flash of light but no smoking pistol

I've never done good things
I've never done bad things
I never did anything out of the blue

Want an ax to break the ice, I wanna come down right
now

Ashes to ashes, funk to funky
We know major Tom's a junky
Strung out on heavens
High leading an all time low

My mama said, to get things done, you better not mess
with major Tom
My mama said, to get things done, you better not mess
with major Tom
My mama said, to get things done, you better not mess

with major Tom
My mama said, to get things done, you better not mess
with major Tom
My mama said, to get things done, you better not mess
with major Tom
