I didn't want to know
I just didn't want to know
Best to keep things in the shallow end
Cause I never quite learned how to swim

I just didn't want to know
Didn't want, didn't want,
Didn't want, didn't want

Close my eyes just to look at you
Taken by the seamless vision
I close my eyes,
Ignore the smoke,
Ignore the smoke

Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at you
Because I don't want to know
I didn't want to know
I just didn't want to know
I just didn't want

Mistook their nods for an approval
Just ignore the smoke and smile

Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
Such a perfect color for your eyes
Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at you

I don't want to know
