Don't fret precious I'm here
Step away from the window
(Step away from the window)
Go back to sleep

Safe from pain and truth and choice
And other poison devils
See, they don't give a fuck about you, like I do

Count the bodies like sheep
Count the bodies like sheep

Count the bodies like sheep
To the rhythm of the war drums
Count the bodies like sheep

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
(To the rhythm of the war drums)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
(To the rhythm of the war drums)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
Go back to sleep

Go to sleep, go to sleep, go to sleep, go to sleep
Go to sleep, go to sleep, go to sleep, go to sleep
Go to sleep, go to sleep, go to sleep, go to sleep
Go to sleep, go to sleep

Go back to sleep
Go back to sleep
Go back to sleep
(Counting bodies like sheep)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
(To the rhythm of the war drums)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
(To the rhythm of the war drums)

Go back to sleep
Go back to sleep
(Counting bodies like sheep)
(To the rhythm of the war drums)
Go back to sleep

I'll be the one to protect you from
Your enemies and all your demons
I'll be the one to protect you from
A will to survive and a voice of reason
I'll be the one to protect you from
Your enemies and your choices son
They're one in the same, I must isolate you
Isolate and save you from yourself
