Ow!

Ow!

don't fret precious I'm here
step away from the window,
and go back to sleep.

safe from pain, and truth, and choice and other poison
devils,
see, they don't give a fuck about you

like i do

counting bodies like sheep

counting bodies like sheep

Ow!

counting bodies like sheep to the rhythm of a war drum

Ow!

GO back to sleep!

counting bodies like sheep to the rhythm of a wardrum

counting bodies like sheep to the rhythm of a war drum

counting bodies like sheep

counting bodies like sheep
