Screaming at the window  
Watch me die another day  
Hopeless situation  
Endless price I'll have to pay

Diarrhea of a madman  
Walk the line again today  
Entries of confusion  
Dear diary, I'm here to stay

Sanity now and beyond me  
I will always love you  
However long I stay  
I will always love you  
Whatever words I say  
I will always love you  
There's no choice

Whenever I'm alone with you  
You make me feel like I'm hopeless

Voices in the darkness  
Scream away my mental health  
Can I ask a question  
To help me save me from myself?

Sanity now and beyond me  
I will always love you  
However long I stay  
I will always love you  
Whatever words I say  
I will always love you  
There's no choice

I will always love you

Whenever I'm alone with you  
You make me feel like I'm whole again  
Whenever I'm alone with you  
You make me feel like I'm whole again

I will always love you

There's no choice
