screaming out the window watch me die another day  
hopeless situation endless  
price i'll have to pay  
diary of a madman walk the line again today entries of  
confusion dear diary i'm  
here to stay  
sanity now and beyond me i will always love you  
however long i stay i will  
always love you  
whatever words i say i will always love you there's no  
choice  
whenever i'm alone with you you make me feel like i'm  
whole again  
voices in the darkness scream away my mental health  
can i ask a question to help  
me save me from myself sanity now and beyond me i  
will always love you however  
long i stay i will always love you whatever words i say i  
will always love you  
there's no choice i will always love you  
whenever i'm alone with you you make me feel like i'm  
whole again whenever i'm  
alone with you you make me feel like i'm whole again  
i will always love you there's no choice
