screaming out the window watch me die another day
hopeless situation endless
price i'll have to pay
diary of a madman walk the line again today entries of
confusion dear diary i'm
here to stay
sanity now and beyond me i will always love you
however long i stay i will
always love you
whatever words i say i will always love you there's no
choice
whenever i'm alone with you you make me feel like i'm
whole again
voices in the darkness scream away my mental health
can i ask a question to help

me save me from myself sanity now and beyond me i
will always love you however
long i stay i will always love you whatever words i say i
will always love you
there's no choice i will always love you
whenever i'm alone with you you make me feel like i'm
whole again whenever i'm
alone with you you make me feel like i'm whole again
i will always love you there's no choice
