"Die With Regret"

Such An Innocent Face And A Wonderful Person
You Took Her Last Breath And Now She's Missed In This
World

An Unforgettable Act, The Worst Possible Thing
Playing The Role Of A God With Another Human Being
Die With Regret, Die Guilty For What You Did
Die With Regret, Die Guilty For What You Did

Who Are You To Decide, Who Is To Live And Who Is To
Die

You'll Be The First To Die Of Better Yet Be Buried Alive
We Will Never Forget Everything That You Did
The Sentence Lies With Us, We Judge Hard And We
Won't Forgive

Die With Regret, Die Guilty For What You Did
Die With Regret, Die Guilty For What You Did

I Know She's Gonna Wait For You In Hell
I Know She's Gonna Save A Place For You In Hell
