Let's have a war
So you can go and die
Let's have a war
We can all use the money
Let's have a war
We need the space
Let's have a war
Clean out this place

It already started in the city
Suburbia will be just as easy

Let's have a war
Jack up the Dow Jones
Let's have a war
It can start in New Jersey
Let's have a war
Blame it on the middle class
Let's have a war
We're like rats in a cage

It already started in the city
Suburbia will be just as easy
Let's have a war
Sell the rights through the networks
Let's have a war
Let our wallets get fat like last time
Let's have a war
Give guns to the queers
Let's have a war
The enemy's within

It already started in the city
Suburbia will be just as easy
It already started in the city
Suburbia will be just as easy
It already started in the city
Suburbia will be just as easy
It already started in the city
Suburbia will be just as easy
It already started in the city
Suburbia will be just as easy
